Form 990, Part III, Line 4a - First Accomplishment

- * 81% of the students improved by 4 or more reading levels.
- * 3,987 student hours and 3,442 tutor hours were logged.
- * At year end, we had 174 active students and 159 volunteers.

During the current 2018-2019 school year, there are 141 students enrolled in Project READS with an additional 21 students that were on the waiting list due to their literacy site of choice being at capacity.

These achievements underscore not only the effectiveness of the Project READS program, but also the importance of the program to young children and their readiness for learning.

At Project READS, we are very excited to be partnering with the Northeast Indiana Regional Partnership's Big Goal Collaborative. Called "Follow the Reader," the online series of five 30-minute online training modules is part of an initiative to raise the overall number of students in the region who can read at grade level by the end of the third grade. The project includes an online interactive series aimed at helping parents, tutors and mentors as they work with youths to improve their reading skills. Using curriculum developed by Project READS, Follow the Reader provides our organization the opportunity partner with new organizations and share our quality curricula with the rest of the Northeast Indiana.

Each Board member, officer, employee, and volunteer shall sign and date a disclosure form at the beginning of his/her term of service or employment and each year thereafter.
